Subject: Information Task 2 Literature Search Reports

Jim items listed below need to get addressed;

GIS Layers:

Part of Data Gap Analysis and Site Screening efforts Battelle had pulled together GIS layers for the Cooperating Agency meeting (01-08-13).

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

An issue of importance that hasn't been discussed is the request announced by Battelle at the Cooperating Agency meeting in which agencies send information on GIS layers to "Lynn". As
